

### The "Mini"

What the mini lacks in stature, it makes up for in numbers. Buy 'em buy the dozen and pop 'em in your mouth... that's the way they want to be eaten!

### The "Signature"

Our gourmet signature cupcakes are what we're best known for. With over 75 unique flavor combinations, you're in for a treat no matter which you choose!

### The "Jumbo"

What other cupcakes dream about being when they grow up. You're going to think it's your birthday when you bite into this big mama jama!\*

\*candles and birthday song not included
